

Course Overview

Safe handling and proper management of scheduled waste are crucial to prevent unintended exposure that will affect human health and pollute the environment. This 5-day course will provide you the essential knowledge in managing the waste while complying to legal requirements and industry best practices. Our experienced trainers in Scheduled Waste Management will share their best hands-on experiences through classroom activities and discussion of case studies.

Certificate of competency will be awarded by EIMAS to participants who successfully

- Complete 5-day course
- Pass the examination
- Submit a field training report

Course Content

DAY 1

- Module on Competency Programme
- Module 1: Overview of Scheduled Waste Management

INSTEP is a Proven Technical Provider

INSTEP was awarded 2023 HRD Corp Award for Training Provider East Coast Region, which represents the company's trajectory toward innovation and excellence.

INSTEP's contributions in developing Competent Persons to align with Self-Regulations initiative started since 2016

Our Certified CePSWaM Trainers

INSTEP is equipped with competent, experienced trainers in facilitating CePSWaM programme.

Dr. Azir Salleh

B.Sc. Chemical Engineering, UMC, USA, 1988
MBA, UUM, 2001
DBA (Safety Behavior), UUM, 2010
Competent Serial No:
CePSWaM/00174
Industry Experience: Laboratory, Manufacturing, Oil & Gas, Education

Ts. Nur Rianlissa Mohammad Sabri

B.Sc. (Hons) Environmental Technology, UiTM, 2011
Competent Serial No:
CePSWaM/00853
Industry Experience: Laboratory, Manufacturing, Oil & Gas

ChM. Mohd Faisal Sulaiman

B.Sc. Applied Chemistry, UiTM, 2000
Competent Serial No:
CePSWaM/02013
Registered Chemist
Industry Experience: Laboratory, Manufacturing, Oil & Gas

Over **40** years

of oil and gas technical training experience

More than **156,000**

Technical professionals trained

Training Capacity

1,000

Trainees per year

Serving clients from over **50** countries

Industry & Technology Driven Technical Learning Solutions

to prepare global workforce of tomorrow

Customised Learning Solutions

to meet our clients' needs

Facilities as Testbed

learning facilities utilisation to support PETRONAS and industry research

International Certification

OPITO & BTEC approved oil and gas technical qualification centre

Capability Caretaker

to strengthen learners' competencies through blended learning

PETRONAS Technical Training Sdn Bhd (956097-W)
Institut Teknologi Petroleum PETRONAS
Lot 9764, Batu Rakit, 21020 Kuala Nerus,
Terengganu Darul Iman, Malaysia
